ENDURO™ GDO-9 GEN2

SERIES 2

THE DEFINITION OF HIGH PERFORMANCE

With a powerful 1200N DC motor, adjustable speed settings and ready for the Smart Phone Control Kit, the Enduro™ is the opener of choice when you positively want the best in performance, features and peace of mind.

Ready for demanding applications, the Enduro™ has all the features you need. The powerful DC motor has variable speed settings to best match your door, including a slow speed option for tilt doors. Standard features include secure TrioCode™128 Remote Controls, Door Profiling, Intelligent Safety system with Obstruction detection, optional modes and compatibility with Wireless Safety Beams.

WHAT'S IN THE BOX:

Opener with LED Courtesy Lights

Wall mounted TrioCode™128 control panel

Two TrioCode™128 Remote Controls

**When maximum spring balanced weight is 20kg.*

**Please see full warranty terms and conditions on our website. This brochure is not evidence of our warranty. Our warranty is in addition to any consumer guarantees that may apply under the Australian Consumer Law.*

AT A GLANCE:

SECURE & RELIABLE REMOTE CONTROL

The TrioCode™128 remote control ensures secure and reliable home access. It transmits on three frequencies to defeat radio interference, and uses a 128-bit encryption protocol (with trillions upon trillions of random codes*) for the ultimate in security.

*340,282,366,920,938,463,463,374,607,431,768,211,456 codes

POWERFUL VARIABLE SPEED MOTOR

The three speed motor generates a peak pulling force of 1200N with standard rail and 1400N with tilt rail, lifting doors up to 200kg*.

7 YEAR WARRANTY

The Series 2 Enduro™ is backed by a 7 year/ 20,000 cycle warranty*, giving you peace of mind.

POPULAR ACCESSORIES

Smart Phone Control Kit

Monitor and operate your garage door and gate on your smart phone from anywhere*. Control more than one location from the one app, such as home and holiday home. Receive push notifications about the status of your garage door and gate, view past activities, set various opening modes, customise user settings and more in the Automatic Technology App.

*Subject to cellular and WiFi connection and availability.

Battery Back Up In the event of power failure your door will still operate.

Wireless Keypad Placed on the outside of your garage, our keypad delivers weatherproof, secure access without a remote control or keys. Perfect for school kids and active families.

Wireless Safety Beams Safety beams help protect your family and possessions by detecting obstructions while your door is closing.
